

Poštovane kolegice i kolege,

U skladu sa epidemiološkom situacijom i odlukom da se međunarodni naučni skup "Digital Economy: Chances, Risks, Sustainable Development" održi on-line, obavestavamo Vas da je Organizacioni odbor doneo odluku sa se visina predviđene kotizacije prepolovi, tako da iznosi:

- 40 € u dinarskoj protivvrednosti na dan uplate
- za studente doktorskih studija 20 € u dinarskoj protivvrednosti na dan uplate.

Zbog produženja roka za dostavljanje radova, proces recenziranja je još uvek u toku i očekuje se da autori obavestjenje o recenziji dobiju 09. oktobra.

Molimo autore koji su zainteresovani za prezentovanje svojih radova putem Zoom platforme da nas o tome obaveste putem mejla ns2020@eknfak.ni.ac.rs najkasnije do 12.10.2020. godine.

S poštovanjem,

Organizacioni odbor

Dear colleagues,

Due to the epidemiological situation and the decision to hold the International scientific conference "Digital Economy: Chances, Risks, Sustainable Development" online, we inform you that the Organizing Committee has made a decision to halve the amount of the registration fee:

- 40 € in dinar counter value on the day of payment
- for doctoral students 20 € in dinar counter value on the day of payment.

Due to the extension of the deadline for submission of papers, the review process is still ongoing, and the authors are expected to receive notification of the review on October 9.

Authors interested in presenting their papers via the Zoom platform are asked to e-mail us at ns2020@eknfak.ni.ac.rs no later than October 12 2020.

Yours faithfully,

Organizing Committee
