

CALL FOR ENROLLMENT

OF STUDENTS IN THE FIRST YEAR OF UNDERGRADUATE ACADEMIC STUDIES IN ENGLISH
AT THE FACULTY OF ECONOMICS IN NIŠ FOR THE SCHOOL YEAR 2024/2025

The Faculty of Economics enrolls 25 self-financing students in the first year of undergraduate academic studies, in the study program Economics (4 years, 240 ECTS) in English.

1. *Conditions of enrollment*

A candidate can enroll the Undergraduate Study Programme Economics if he/she:

1. has completed a four-year high school,
2. has passed the entrance exam,
3. submit a certificate of English language proficiency - level B2 or proof of completed English course at any level of formal education,
4. takes a place on the ranking list within the number of students approved by the Serbian government to the Faculty of Economics, University of Niš.

Foreign citizens enroll under the same conditions as citizens of the Republic of Serbia in terms of previous education, according to the Law on Higher Education (Official Gazette RS, No. 88/17, 27/18 - other law, 73/18, 67/19 and 6/20 - other laws) and the general acts of the Faculty of Economics, University of Niš.

1. *Entrance exam*

The candidates who apply for the enrollment in the first year of studies take an entrance exam that includes the program content studied in high school. The entrance exam is taken in one subject (by choice), from the following four subjects:

- Fundamentals of Economics ,
- Business Economics,
- Mathematics,
- Sociology.

2. *Selection of candidates for enrollment in the first year of studies*

The selection of candidates for enrollment in the first year of studies is made according to the results achieved in the entrance exam and the general success achieved in high school. **The ranking list** is compiled according to the total number of points and the established criteria. A candidate can score a **maximum of 100 points**.

The overall success in high school implies the sum of the average grades of all subjects in the first, second, third and fourth grade, multiplied by two. On this basis, the candidate can obtain a minimum of 16 and a **maximum of 40 points**.

The result of the entrance exam is evaluated from **0 to 60 points**.

3. The ranking list

The Faculty establishes a ranking list of all candidates with the total number of points obtained according to all the criteria determined by this competition. The ranking list formed in this way is the basis for the candidate's choice of the desired study program and module.

The position on the ranking list and the total number of points determines whether the candidate can be enrolled in the first year of studies.

A candidate can be enrolled as a **self-financing** student, if he is up to the number approved for the enrollment of self-financing students determined by this competition, and has at least 30 points.

4. The right to object to the position on the ranking list

A participant in the competition who believes that the order of candidates on the ranking list is not determined in the manner provided by the competition, has the right to complain to the dean of the Faculty within 24 hours since the publication of the ranking list.

The dean decides on the objection on the same day after receiving the objection.

5. The Final ranking list

After the completion of the procedure based on the received objections, the Faculty determines and publishes **the final ranking list** of all the candidates with the total number of points obtained according to all criteria.

The final ranking list is the basis for enrollment.

6. Moving/sliding on the Final ranking list

If the candidate, who has exercised the right to enroll, does not enroll within the estimated period, the Faculty will enroll the next candidate instead, according to the order on the final ranking list.
